

NINCO®

2016

www.ninco.com

NINCO, fundada en 1993 en Barcelona como especialista mundial de slot ha evolucionado hasta convertirse en fabricante global de juguetes electrónicos y hobby. Apostamos por la calidad en el diseño, I+D, fabricación, comunicación y comercialización de una amplia gama de productos de radiocontrol que incluye drones, aviones, helicópteros, barcos, robots y vehículos de todo tipo y para todos los públicos.

NINCO se ha convertido en uno de los principales proveedores de juguetes técnicos tanto para tiendas de hobby como jugueterías y grandes almacenes

- Tenemos experiencia en el mercado
- Tenemos amplio conocimiento de producto
- Desarrollamos marcas consistentes
- Conectamos con el consumidor y las necesidades de los clientes

Somos un proveedor integral que ofrece gamas competitivas y equilibradas de juguete técnico para los distribuidores del sector

NINCO, founded in 1993 in Barcelona as a Slot world specialist has evolved into a global manufacturer of electronic toys and hobby.

We focus on quality, design, R & D, manufacturing, communication and marketing of a wide range of products including radio-controlled drones, planes, helicopters, boats, robots and vehicles of all kinds and for all audiences.

NINCO features:

- *Vast experience in the market*
- *Deep knowledge of the products*
- *Precise development of consistent brands*
- *Wide connection with the consumer and customer needs*

NINCO has become a comprehensive supplier that offers competitive and balanced ranges of technical toys for distributors in the sector: hobby shops, toy stores and department stores
